

Greetings Kids, Parents, Grandparents and Sponsors,

Thank you for supporting our Spaghetti Dinner Children's Fundraiser. It was a huge success.

We have activities planned for all ages all summer. We will keep you updated as some dates could change due to weather and conflicts. All ages of children are a vital and a growing part of our church family. It is also important to note more activities or opportunities for fun and volunteering will be added. We do have more ideas but have not worked out some of the details.

Many of you may be wondering how the funds for these fund raisers will be used. We have many planned activities which will benefit all ages. The money we generate goes into a fund earmarked for our children's programming. We feel socialization is key to better ensuring our children form lasting relationships, memories, and core moral values. Each child from age 4 and up is displayed on a reward board. Each stamp represents a value toward their summer activities. Some may be used for Elkhorn Valley Christian Service Camp, a Corner House Sponsored Summer Activity or donated to another Child/Teen who may have financial challenges. These rewards cannot be converted to cash.

As you can see, we have a very active calendar. We welcome your Children/Teens to encourage friends to join us in these events. Each Child/Teen can also donate some of their rewards to other kids. This will promote an opportunity for building a generous character and build evangelism.

Our classrooms are growing!!! Consider becoming an assistant in the classroom. It is extremely rewarding, and you can see firsthand how these kids are growing in God's word and work.
